

Cautionary Statement

Certain statements included or incorporated by reference within this report may constitute “forward-looking statements” in respect of the group’s operations, performance, prospects and/or financial condition. All statements other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements are sometimes, but not always, identified by their use of a date in the future or such words as “anticipates”, “aims”, “due”, “could”, “may”, “will”, “should”, “expects”, “believes”, “intends”, “plans”, “potential”, “targets”, “goal” or “estimates”. By their nature, forward-looking statements involve a number of risks, uncertainties and assumptions and actual results or events may differ materially from those expressed or implied by those statements. There are also a number of factors that could cause actual future operations, performance, financial conditions, results or developments to differ materially from the plans, goals and expectations expressed or implied by these forward-looking statements and forecasts. These factors include, but are not limited to, those contained in this report. Accordingly, no assurance can be given that any particular expectation will be met and reliance should not be placed on any forward-looking statement. Additionally, forward-looking statements regarding past trends or activities should not be taken as a representation that such trends or activities will continue in the future.

Except as may be required by law or regulation, no responsibility or obligation is accepted to update or revise any forward-looking statement resulting from new information, future events or otherwise. Nothing in this document should be construed as a profit forecast. Past performance cannot be relied upon as a guide to future performance and persons needing advice should consult an independent financial adviser.
